YOURS

Yours to keep

site and domain in your name

01 WHERE WE STARTED

What we built it around.

01 Your downtown Victoria dentist.

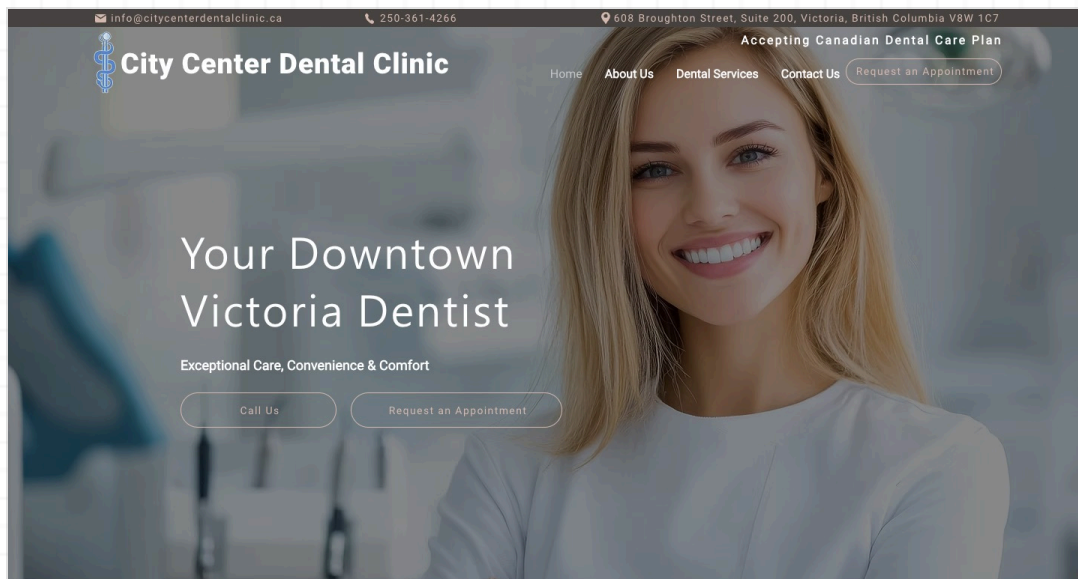

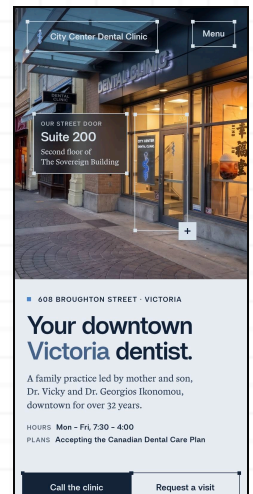

Your own headline. Option 1 draws over your real street door at 608 Broughton: Suite 200, second floor of The Sovereign Building, with your hours and the Canadian Dental Care Plan below.

02 Every new patient gets a full hour.

From your Patient-Centred Care line. Option 2 turns that hour-long first consultation into a dial around your own exam-room photo, with sedation and on-call emergency care beside it.

03 Run by a mother and her son.

From your welcome. Option 3 sets Dr. Vicky Ikonomou and Dr. Georgios Ikonomou either side of your own welcome table, with over 32 years downtown and a word from a patient.

06 QUESTIONS

The usual questions.

01 Will moving hurt my Google ranking?

We move it carefully. Every page address on your current site keeps working or forwards to its new page, and your titles and business details carry over, so nothing Google already knows about breaks. The new site is fast and built for phones first, which Google rewards. We don't promise rankings.

02 Is it secure?

Yes. There's no WordPress and no plugins to keep patching, the usual way small-business sites get broken into. It runs on modern hosting with SSL, and every version is saved, so any change can be rolled back.

03 Who owns it?

You do. The site and the domain are in your name, not ours. Hosting is included and nothing renews unless you ask. If you ever want to move it, you get every file.

04 How do I make changes?

Text or email me the change and it's live the next business day. The first 30 days are free. After that, unlimited changes come with any monthly plan, from \$250 a month, cancel anytime.

05 When do I pay?

Half (\$1,750) when you say go, the rest (\$1,750) when the site is live. You've seen the homepage before paying anything.
